

The CR 10 reversible soil compactor and its technical data.

Type		CR 10
Weight	kg (lbs)	900 (1,985)
	kg (lbs)	867 (1,910) without extension plates / 956 (2,107) with optional extension plates.
Centrifugal force	kN (lbs)	100 (22,500)
Frequency	Hz (rpm)	52 (3,120)
Working width	cm (in.)	70*/80/95** (27.6*/31.5/37.5**)
Engine		Lombardini-Diesel, electric starter
Type		LDW 1003 (water-cooled)
Engine output, max.	kW / HP	19.5 (26.5)

* Working width can be reduced by dismantling the extension plates.

** With 2 x 12,5 cm extension plates.
